HEALTH & SAFETY - *The Verderers take reasonable precautions to ensure the health and safety of everyone present. For these measures to be effective, everyone must take all reasonable precautions to avoid and prevent accidents occurring. Only bona-fide practicing commoners and persons invited by the Verderers/Agisters may ride or assist on drifts. All riders are strongly recommended to wear protective headgear, e.g. hard hat and have their own third party liability insurance. The Verderers cannot be held liable for any injury or damage to persons or property and all persons attending drifts do so at their own risk. The use of quad bikes is strictly forbidden.*

Cattle drifts will be arranged in co-operation with Commoners in due course.
